

HiFi im Hinterhof

Home Cinema Bonanza

November 1st & 2nd 2019

Dear Customers,

Like every year, as the weather gets chilly in autumn, we find ourselves getting excited about developments in Home Cinema and put together a special event to showcase the latest for you!

This year we are hosting three specialist guests, our exclusive personal calibration offer, and some incredible deals!

We look forward to your visit!

Your HiFi im Hinterhof Team

10% Off Our Home Cinema Products!

Make a purchase of any new products in our Home Cinema at our retail store in Berlin-Kreuzberg on Friday, November 1, and Saturday 2, November 2019 to receive a 10% discount!

HiFi im Hinterhof

Großbeerenstr. 65/66
10963 Berlin-Kreuzberg

Calibration Deal

Have your projector calibrated with professional technology for €175 on Friday, November 1, and Saturday, November 2. Additionally, purchase projector lamps at reduced prices. You can then simply bring your projector to us before the event. The calibrated device will be ready for you to pick up after the event. For personal calibration, please contact us to pre-register; this is binding as we can only assign limited appointments. If you are interested, simply send a short email to:

voice@hifi-im-hinterhof.de

Please include the approximate operating time of your lamp. We will then send you a confirmation email.
