THIN 245 UltraThin alpine white - Swivel TV wall mount

Forward? Left? Right? The Vogel's THIN 245 alpine white TV wall mount allows you to position your television at the perfect angle, no matter from where in the room you wish to view. These swivel TV wall brackets are basically invisible, with just 1.4 inches (3,5 cm) of space between the TV and the wall, while the cable inlay system reduces the risk of accidents, keeping unsightly power leads hidden. This LED/LCD/Plasma TV wall mount only takes a moment to install with the easy level adjustment and drilling template and is suitable for 26 to 55 inch (66 to 140 cm) screens with a maximum screen thickness of 2 inches (5 cm). They also allow you to extend your TV to up to 20 inches (51 cm) from the wall.

Get the THIN 245 alpine white swivel TV wall mount from Vogel's for a sleek white design that complements your décor.
