

SUNDARA

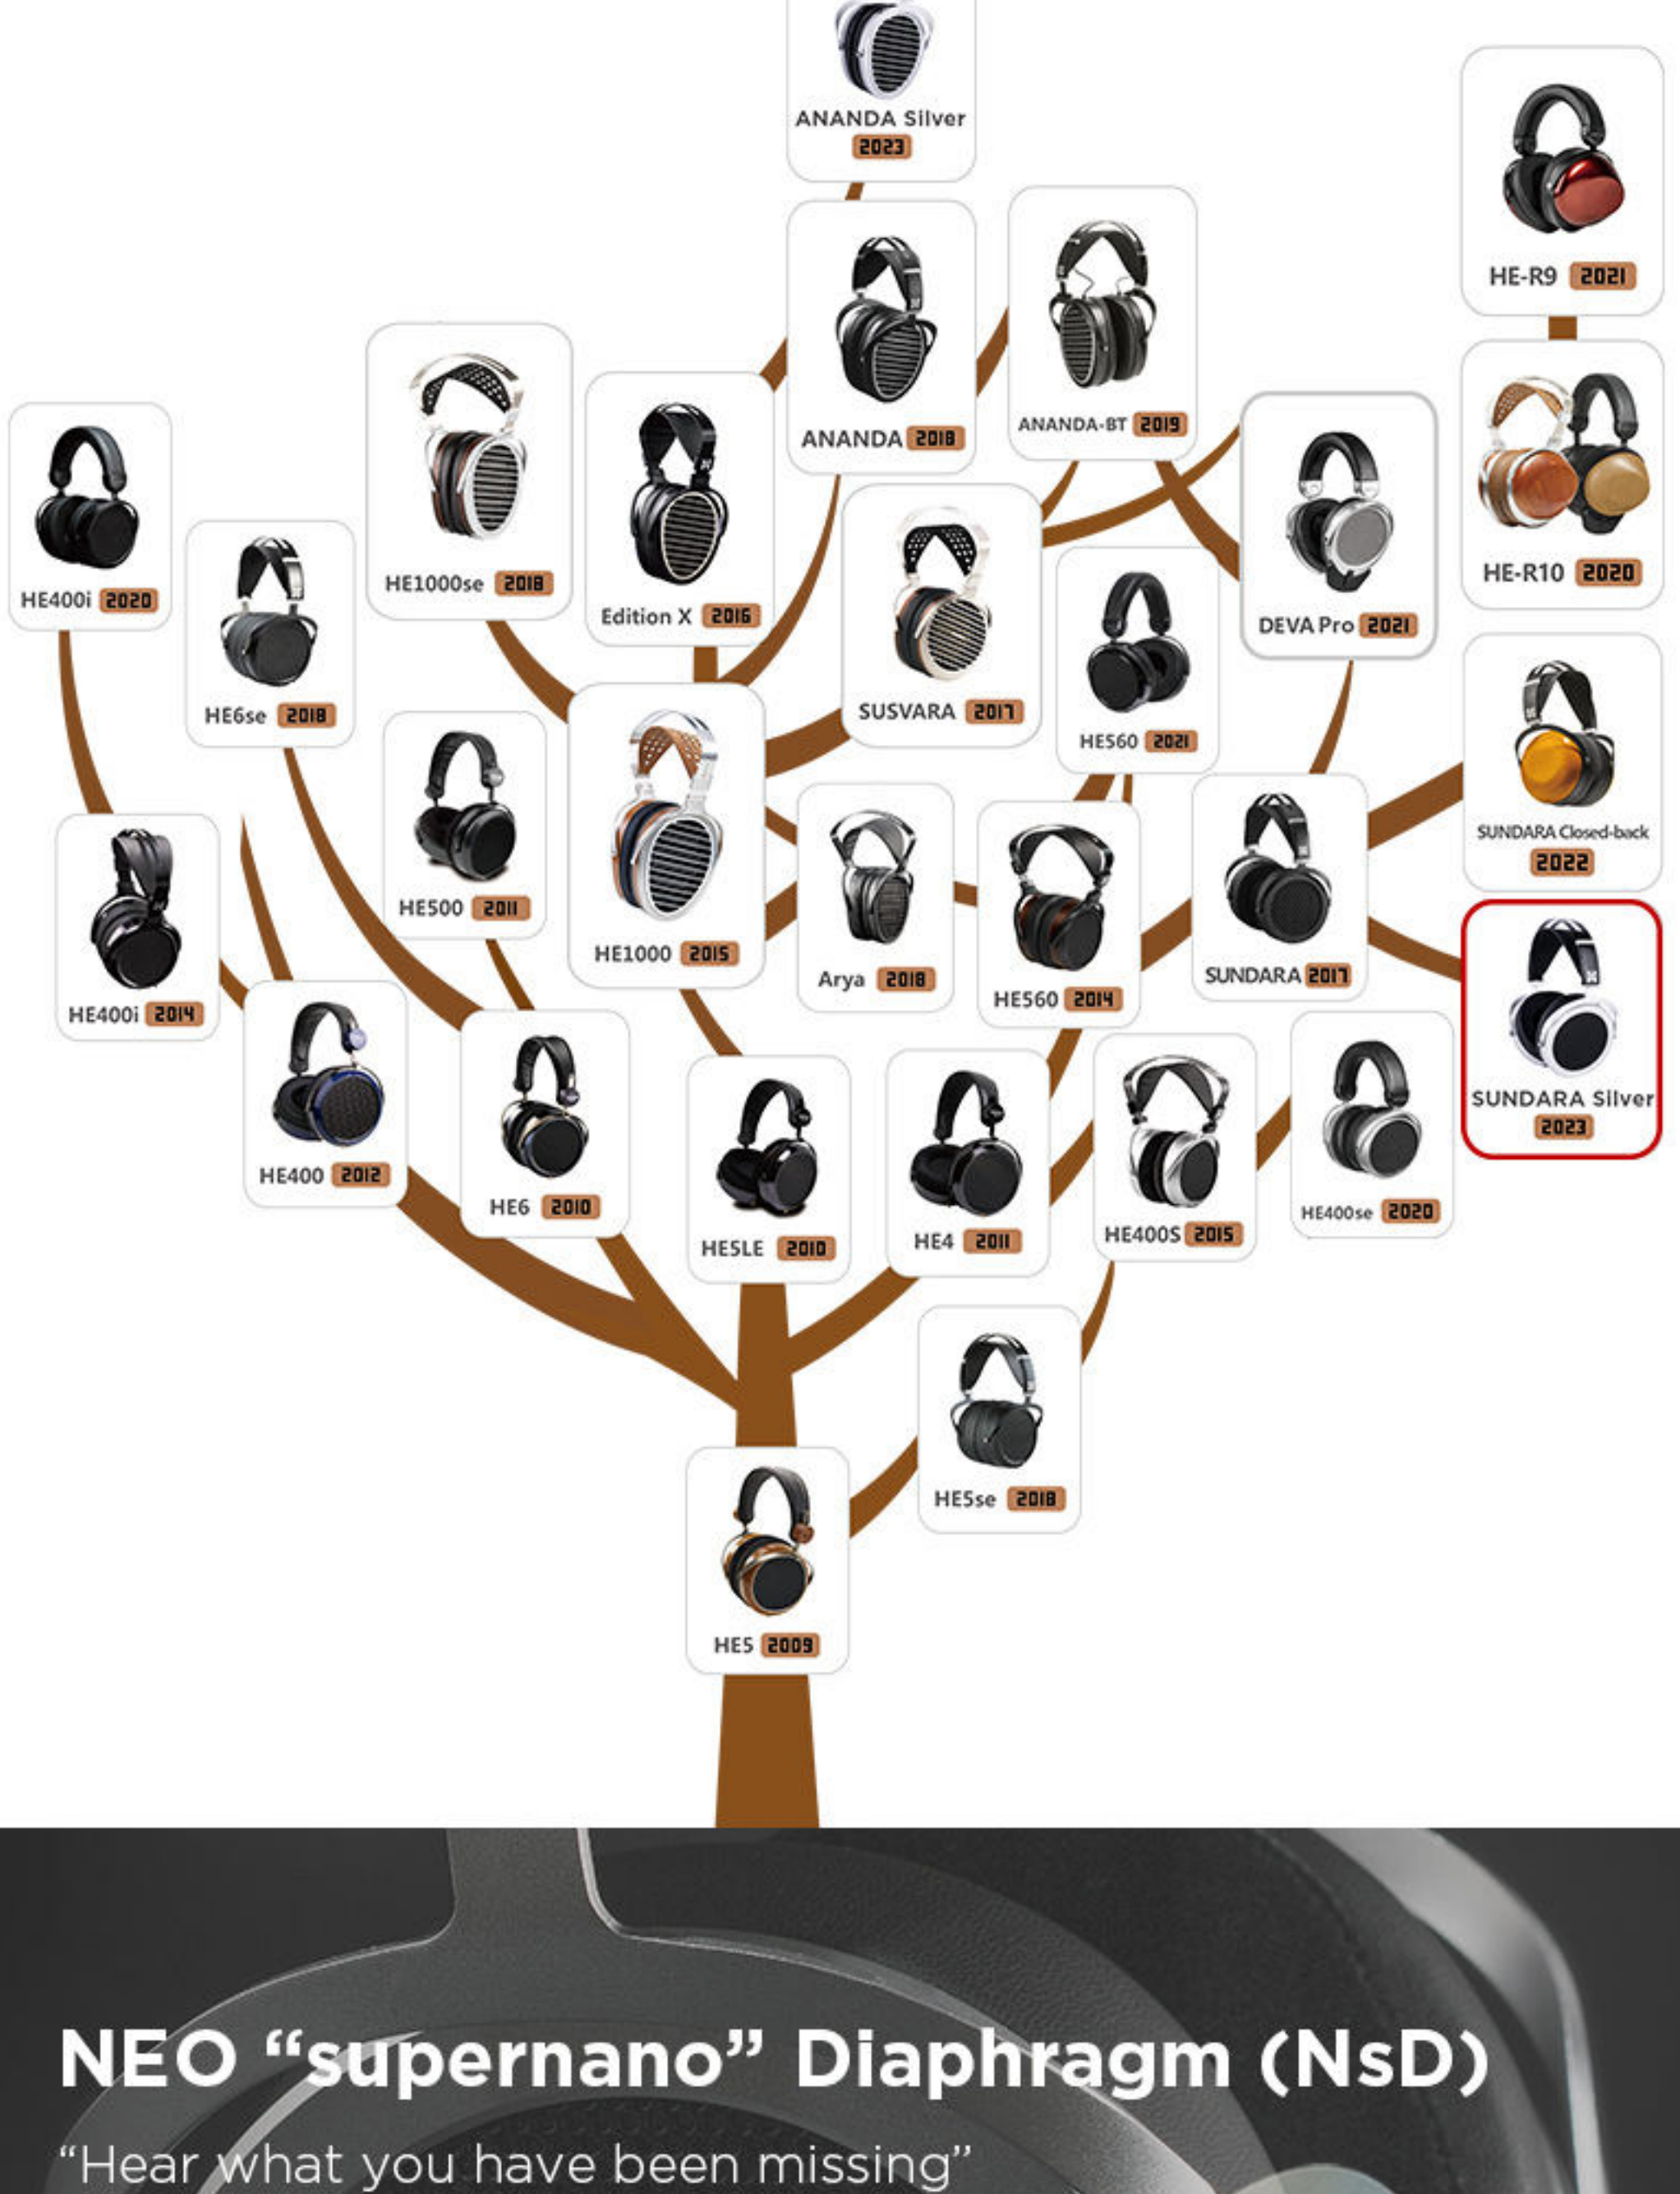

(Silver Version)

Beautiful Music to your Ears

The Sanskrit word "Sundara" literally means "Beautiful" and this all new Planar Magnetic headphone fits this description in every way.

The Evolution of HIFIMAN's Planar Technology

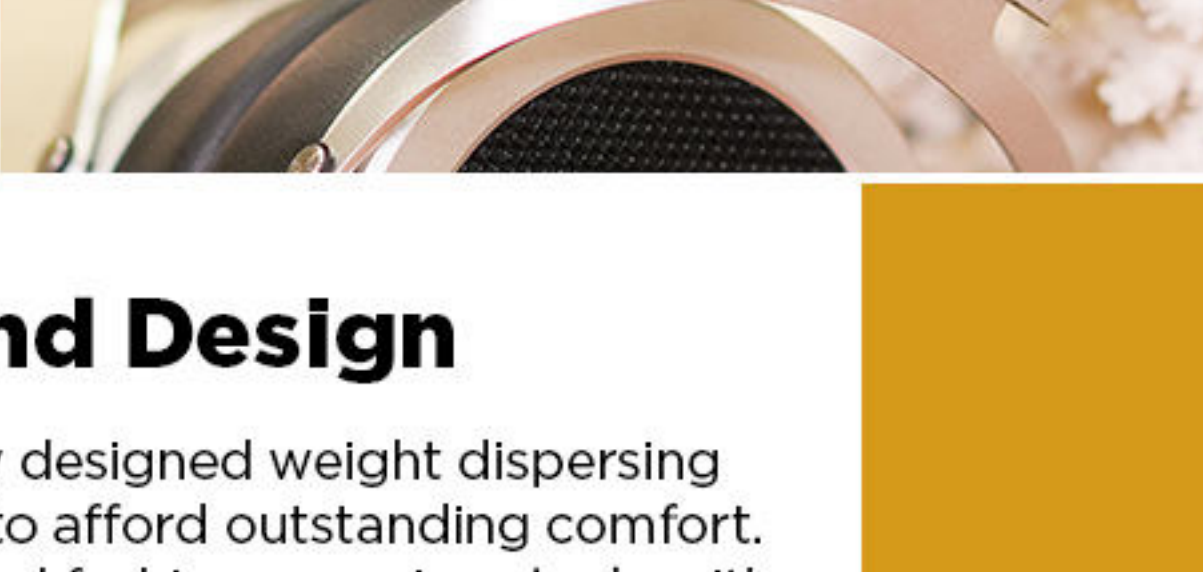

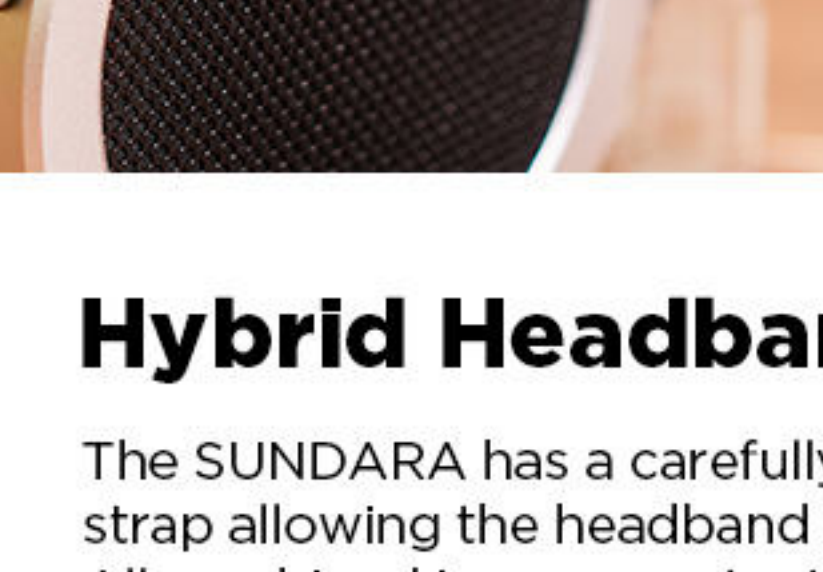

NEO "supernano" Diaphragm (NsD)

"Hear what you have been missing"

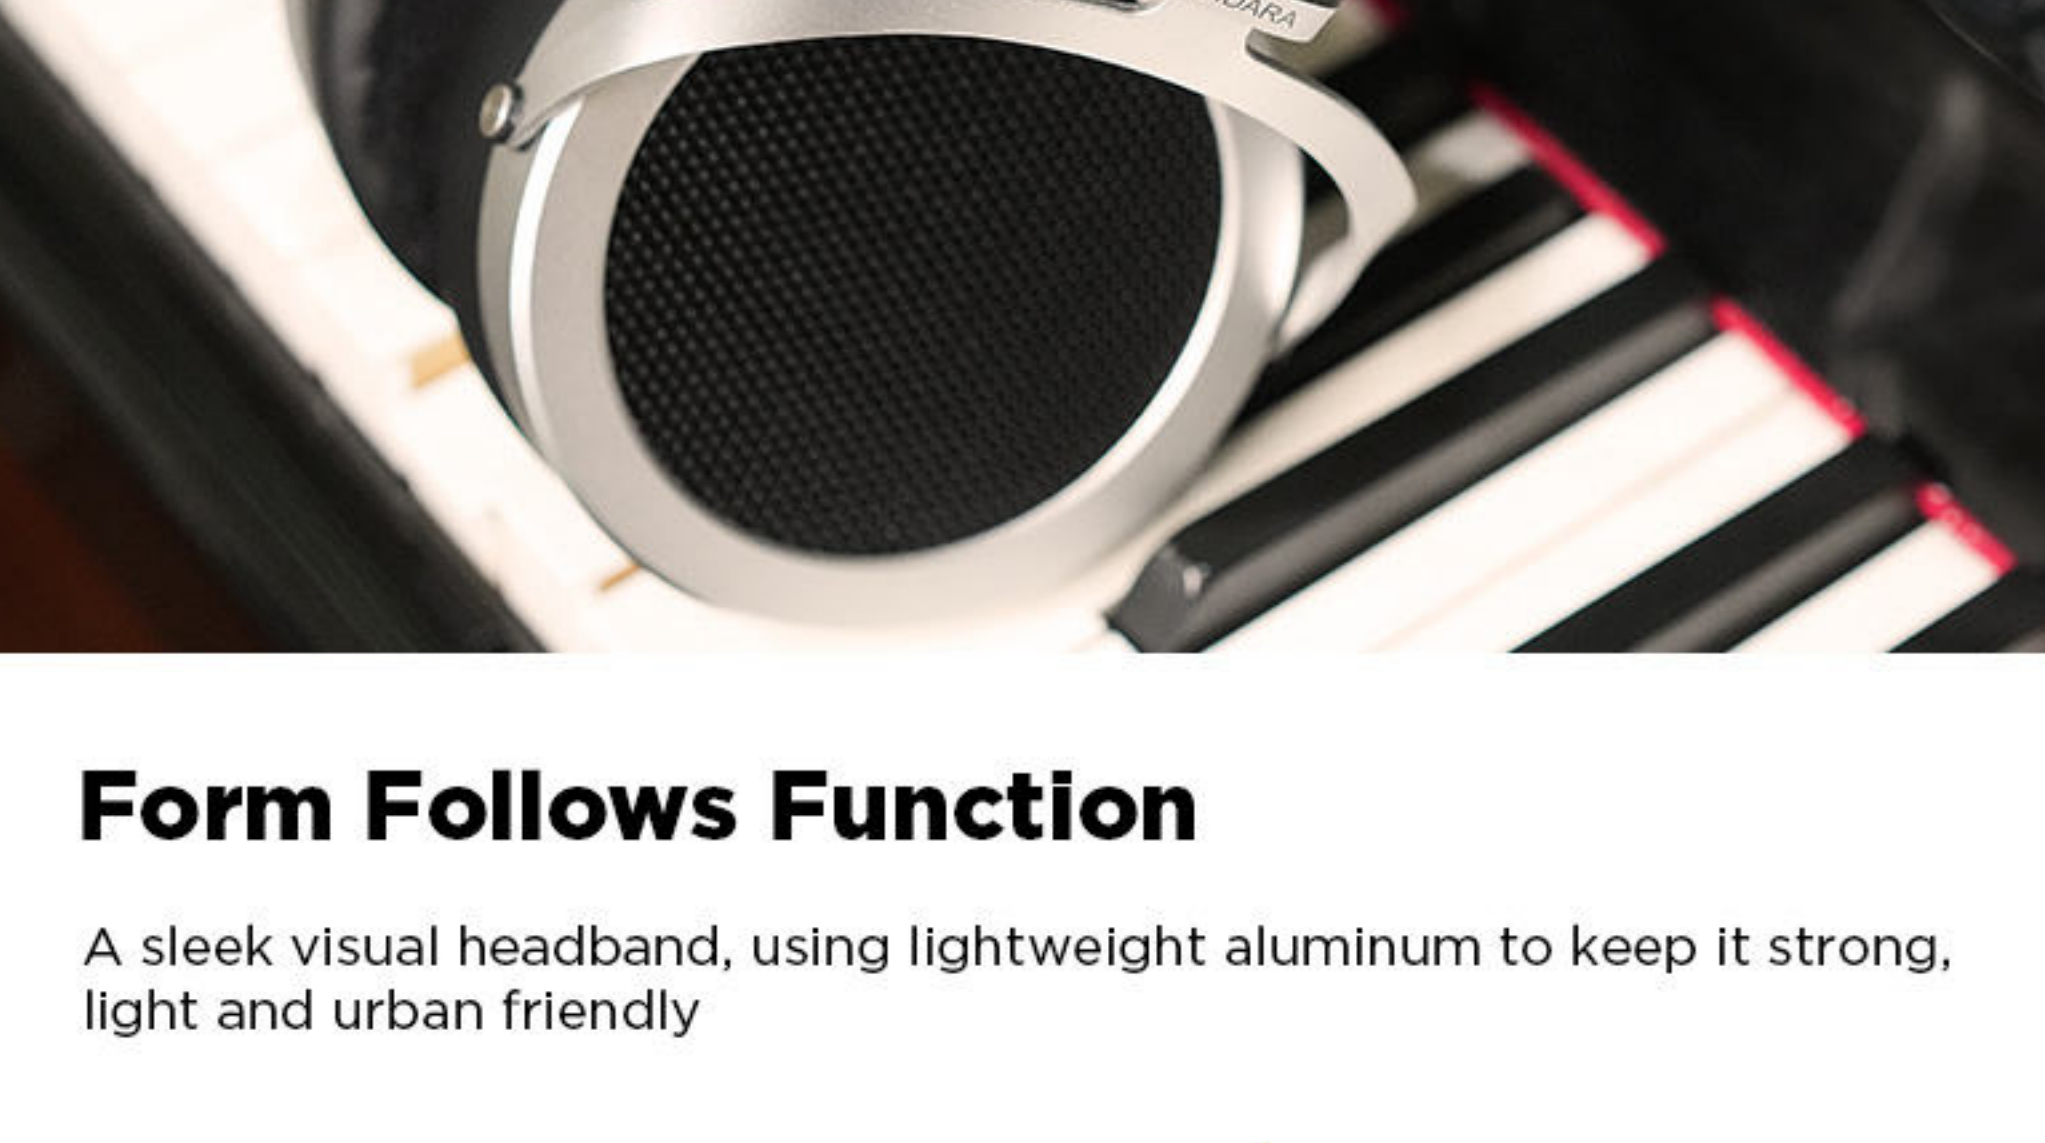

The all new NsD is 80% thinner than previous designs resulting in a faster more detailed response while retaining lush musicality never before possible. At between 1 to 2 microns thick, the NsD diaphragm sets all be standards.

HIFIMAN has advanced its manufacturing processes to create this all new planar driver at unheard of prices. HIFIMAN has again set a all new bar for performance /value ratio that the rest of the industry will have a very hard time following.

Hybrid Headband Design

The SUNDARA has a carefully designed weight dispersing strap ALLOWING the headband to afford outstanding comfort. All combined in an accentuated fashion conscious look, with a sleek and sumptuous matte black finish.

Form Follows Function

A sleek visual headband, using lightweight aluminum to keep it strong, light and urban friendly
