

See nothing, hear everything

RD stands for Reduced Depth – so this speaker will fit into tighter spaces than the standard CCM663. A shallower cone and a redesign of the easy-fit QuickDogs™ frame reduce depth to a more usable 92mm, while retaining everything that makes the CCM663 such a great in-ceiling speaker.

The familiar, yet discreet, dark blue Aramid Fibre cone of the bass/midrange driver delivers a stunningly clean, detailed response. This, combined with the pivoting aluminium dome tweeter for adjustable off-axis treble response and three-position EQ, make this one of the most versatile custom speakers around.

If preferred, the supplied round grille can be replaced with an optional, square CCM663 grille.

Technical Specifications

Description	2-way in-ceiling system
Drive Units	1x Ø25mm (1 in) Nautilus™ swirl loaded aluminium dome tweeter 1x Ø150mm (6 in) blue Aramid Fibre cone bass/midrange
Frequency range (-6dB)	35Hz – 50kHz
Recommended Amplifier Power	25W – 100W
Sensitivity	86dB (2.83V, 1m)
Nominal Impedance	8Ω (4.8Ω minimum)
Frame	Ø240mm (9.4 in)
Cut-out	Ø202mm (8 in)
Depth behind surface	92mm (3.6 in)
Protrusion	7mm (0.3 in)
Net weight	2.3kg (5 lb)
Pre-mount Kit	PMK C6
Back Box	BB6W or BB125C
