

# Stage 280F

2.5-Way Dual 8-inch (200mm) Floorstanding Loudspeaker

JBL

## Product Overview

Designed and engineered in our world-famous Acoustic Engineering Center of Excellence in Northridge, California, Stage 280F is the flagship of the new JBL Stage Series. This floorstanding loudspeaker features a 2.5-way design with Next Generation patented High-Definition Imaging (HDI™) waveguide geometry, 1-inch (25mm) Anodized Aluminum dome tweeter, and dual 8-inch (200mm) Polycellulose cone woofers that provide deep, signature JBL bass.

Available in Espresso or Latte woodgrain finish with solid color front baffles and matching grilles.
